Dear Prospective Sponsor:

Thank you for your interest in supporting the New Berlin Athletic Association through a sponsorship of a sports team. It is through your involvement that our program is able to continue. Sponsorships of NBAA teams enable our recreational sports programs for boys and girls to continue at the high quality level that presently exists. One hundred percent of sponsorship donations go directly to the children's activities. No money is taken out for administration or operating costs since league coordinators, team managers, and team coaches are all volunteers.

It is very often possible to assign a sponsor to a particular child's team and we do our best to accommodate a sponsor's wishes. But our utmost concern is for the children and if conflicting requests arise, we work them out in a friendly and understanding way.

Team formation takes place after the registration process is completed and the total number of children in the league is known. At this time, a decision is made as to the number of teams that will be formed in each division. Assignment of teams is based on the boundary lines of New Berlin's public schools, but this is not the sole criterion. The concentration of children within a given area, maximum team size, coach volunteers, and establishing an equitable split of grades among the teams are also important factors in the selection process. **Teams are not assigned by neighborhood.** Late registrations will put children on a waiting list. They will be placed on an established team according to the postmark date and team needs **if** openings exist. Approximately 3500 participants are registered in NBAA sports programs each year with some children playing more than one sport. Enrollment is not limited except for basketball where we have limited indoor facilities available. Because of this, registration in our programs has been increasing.

The cost of sponsorships is \$50 per team. When you are a sponsor, you benefit in several ways: You select the team name which is published in the standings; We will provide a link to your web site from the NBAA web site if desired; You will receive community recognition and the satisfaction of community involvement. While most of our sponsorships are provided by businesses, sometimes individual families or community members choose to sponsor a team.

If you are interested in sponsoring a team or teams, please complete the information below and return this form with your sponsor check payable to NBAA to the address at the top of the form as soon as possible but **no later than March 15th** as we need the information in time to assign team names before preparing the team packets for the coaches meeting.
