Re: Game Report Sheets

Game Reports

- The coach of the home team should provide the game report so all coaches have five game reports in their folder. All players from both teams should sign the game report.
- Winning coaches must send the game scores to their league coordinator by either mail or e-mail. Coordinator mailing address printed below.
- The game scores must be submitted no later than 24 hours after the game date. Failure to do so in that time period may cause both teams involved in that game to take a loss.
- Game Reports must be retained by the winning coach through the end of the season.
