

## NBAA Baseball / Softball Registration

Sign-up for NBAA girl's softball and boy's baseball is from January 15<sup>th</sup> to March 1<sup>st</sup>. These programs are offered only to the children of City of New Berlin residents. The baseball/softball season begins in May and lasts until the end of July. Children who are 5 years old by May 15<sup>th</sup> through 9<sup>th</sup> grade are eligible to play. **We just recently expanded eligibility to 9<sup>th</sup> graders. However, WIAA rules prohibit students from playing an NBAA sport and the same high school sport during the same season.**

Baseball/softball games are played at various city parks in New Berlin and some New Berlin Schools, as necessary. Games will be played on weeknights beginning at 5:45 P.M. or later. Make-up games are scheduled on either weeknights or Saturdays. Schedules cannot be determined until the number of teams in each grade grouping has been determined. Coaches will contact the children on their team by the end of April and will schedule practices at their discretion until league play begins.

Mail-in registration forms must be postmarked by March 1<sup>st</sup> for baseball/ softball. Forms postmarked after March 1st will place your child on a waiting list. Children on the waiting list are ***not*** guaranteed placement. These children will be placed on a team ***if*** openings exist. Late registrations will be processed based on the date they are received and children will be placed on the team with the greatest need at the time the registration is received.

Please complete and sign the attached mail-in registration form **neatly and accurately** and mail it to the address listed on the top of the form. We would appreciate your participation as a coach, assistant coach, or in sponsoring a team. **All team managers/coaches are volunteers like you, the parents. Without your participation, the NBAA would not exist. Therefore, it is extremely important that you seriously consider volunteering as a manager/coach when you register your child. This is an excellent opportunity for you to spend some quality time with your child.**
