

NBAA Basketball Registration

Sign-up for NBAA girl's and boy's basketball is from September 1st thru September 30th. These programs are offered only to the children of City of New Berlin residents. For children in 3rd through 9th grade, practices begin the first week of November. Games begin the first Saturday in December and the season concludes at the end of February. NBAA also has a special Minis League for children in 1st and 2nd grade. It runs for 7 weeks starting in early December. **We just recently expanded eligibility to 9th graders. However, 9th graders may not play an NBAA sport and a high school sport during the same season.**

Basketball games are played at various city schools in New Berlin on Saturdays. Schedules cannot be determined until the number of teams in each grade grouping has been determined. Coaches will contact the children on their team about the end of October and will schedule practices at their discretion until league play begins. Practices continue after games begin.

Mail-in registration forms must be postmarked by September 30th. Forms postmarked after September 30th will place your child on a waiting list. Children on the waiting list are ***not*** guaranteed placement. These children will be placed on a team ***if*** openings exist. Late registrations will be processed based on the date they are received and children will be placed on the team with the greatest need at the time the registration is received. Because of the limited nature of facilities for basketball, registration ***may*** have to be limited, so the earlier you send in your registration, the better.

Answers to questions you may have about the programs can be found on the NBAA Website (www.nbaasports.com). Questions can also be answered at the ***in person registration*** on Saturday September 9th from 9 a.m. until noon near the full size soccer fields located at the west end of Malone Park (just past the tennis courts). Additional forms will be available at the in person registration, at the New Berlin Park and Recreation Office at City Hall, the New Berlin Public Library or may be duplicated from the attached form or downloaded from the Website (www.nbaasports.com) ***You may register for email notification of upcoming NBAA registrations on the home page of our website at www.nbaasports.com.***

Please complete and sign the attached mail-in registration form neatly and accurately (***phone number is extremely important***) and mail it to the address listed on the top of the form. We would appreciate your participation as a coach, or in sponsoring a team. All team coaches are volunteers like you, the parents. **Without your participation, the NBAA would not exist.** Therefore, it is extremely important that you seriously consider volunteering as a coach when you register your child. This is an excellent opportunity for you to spend some quality time with your child.
