Re: Field Usage

The following fields **are available** to NBAA Teams for Practice:

- Regal Park
- Hickory Grove Center
- Buena Park East & West field
- Malone Park all fields
- New Berlin Elementary schools

**These are open on a first come first serve basis; No Reserving of fields is done.**

The following fields are **NOT AVAILABLE** because they are used by the New Berlin Soccer Club:

- Valley View Park
- Lions Park
- Calhoun Park
- Pro-Health Care Park
- Gatewood Park

**Field Use Guidelines: These are implemented because of the limited facilities available:**

1. Expect to share a field with another team. Do not expect to have an entire field with both goals available to you.
2. No reservations are made for your practice times.
3. Inspect the practice area for safe conditions, before beginning your practice.
4. In case of inclement weather, if you observe standing water on a Soccer field, do not use it for practice. Turf repair is impossible to accomplish in Fall.
5. Do not expect to always have access to a goal for practices, use cones for boundaries and goals.

Thanks for volunteering, and good luck with your season
