both teams forced a 0-0 tie through the first 25 minutes. Our defense was lead by strong play from everyone and notably Ben Den Braven, Matthew Cavanaugh and Trent Schultz. The opposing team came out in the second half and was a bit more aggressive and was able to score a few goals to get the win. The goalie play by Drew Spadaro in the second half was exceptional and saved a number of goals in exciting fashion, which allowed the game to stay close. This was a tight fought game and I applaud both teams for the teamwork and competitive spirit displayed.
