

NBAA Soccer Registration

Signup for NBAA girl's and boy's soccer is from May 1st to June 1st. These programs are offered only to the children of City of New Berlin residents. The NBAA soccer season begins with team practices at the end of August with games beginning the Saturday after Labor Day and continuing for 7 weeks. Children who are 5 years old by September 1st through 9th grade are eligible to play. **We just recently expanded eligibility to 9th graders. However, WIAA rules prohibit students from playing an NBAA sport and the same high school sport during the same season.**

Soccer games are played on Saturdays at Malone Park throughout the day. Any makeups which are necessary due to the weather will done on Sundays. Games are scheduled beginning at 8:45 in the morning on nine different fields at Malone Park in order to accommodate the 90 to 100 teams the program supports. Schedules cannot be determined until the number of teams in each grade grouping has been determined. Coaches will contact the children on their team by the end of August and will schedule practices at their discretion until league play begins.

Mail-in registration forms must be postmarked by June 1st for soccer. Forms postmarked after June 1st will place your child on a waiting list. Children on the waiting list are ***not*** guaranteed placement. These children will be placed on a team ***if*** openings exist. Late registrations will be processed based on the date they are received and children will be placed on the team with the greatest need at the time the registration is received.

Volunteers are needed to help at the new soccer concession stand. If you are willing to help out, please provide your name and email address on the registration form and we'll contact you to work around your child's schedule. If everyone helps a little, no one has to help a lot.

Answers to questions you may have about the programs can be found on the NBAA Website (www.nbaasports.com). Additional forms are available at the New Berlin Park and Recreation Office at New Berlin City Hall, the New Berlin Public Library or may be duplicated from the attached form or downloaded from the Website. **You may register for email notification of upcoming NBAA registrations on the home page of our website at www.nbaasports.com.**

Please complete and sign the attached mail-in registration form neatly and accurately and mail it to the address listed on the top of the form. We would appreciate your participation as a coach, or in sponsoring a team. All team coaches are volunteers like you, the parents. Without your participation, the NBAA would not exist. Therefore, it is extremely important that you seriously consider volunteering as a coach when you register your child. This is an excellent opportunity for you to spend some quality time with your child. A Coaches Clinic is held to teach you the basics of game and of coaching, so don't let a lack of knowledge of the game stop you from this experience.

(See reverse side for registration form)
