Your track program has got to be the best run program we have ever been in...especially in regards to coaching. I am VERY impressed and excited for my daughter to be a part of the action next year too!! It's very evident that you have put a lot of time into organizing a meaningful workout for the kids each day. Thank you for doing a great job...and keep up the good work.

Thank you again for all your hard work with the track club! Our kids had a great experience. We are going to try to hit a few more meets before the summer is over. I have forwarded my positive comments on to the "powers that be" at the NBAA. You and all your volunteer coaches did an outstanding job!
